System Administration and IT Infrastructure Services

IT Security: Defense against the digital dark arts

Dec 8, 2020

ALEXANDER LAFARIQUE SELLERS

has successfully completed the online Professional Certificate

Google IT Support

Those who earn the Google IT Support Professional Certificate have completed five-courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for entry-level roles in IT support. They are competent in foundational skills, including troubleshooting and customer service, networking, operating systems, system administration, and security.
